RENTAL COMMUNITIES™

All areas and stated room dimensions are approximate. Note: Actual usable floor space may vary from the stated floor area. Floor area is measured in accordance with the HCRA directive on floor area calculations. Size and location of windows may vary. The tenant acknowledges that the actual unit may be a reversed layout to the plan shown. Outdoor area will vary based on home location in the community. Whole Life Carbon Impact is an estimated projection based on energy and lifecycle assessment modeling of Daniels communities during design; methodologies can be found in our Decarbonization Roadmap. Estimated impact shown represents an average based on all unit types. Illustration is artist's concept. Please speak with a Leasing Representative for details. E. & O. E.
